

Membership Drive

Please join the Organization for Artificial Reefs in our annual membership drive to be held in conjunction with the Big Bend Saltwater Classic.

OAR will be signing up new members in St. Marks at Shield's Marina, the headquarters for the BBSC. Please stop by our booth between 2 and 5 p.m., Saturday, June 17th to learn about all the new reefs in the area and our plans for the future. Membership is only \$20 a year, and all the money goes for reef development.
